

UMAMI MEDITERRANEAN

250-ml / 300 g / 10.5 oz

Robust flavor with 30% less sodium than regular salt

The savory wonder

Umami Mediterranean is the ideal blend of natural mineral-rich sea salt and umami, the distinctive flavor-boosting 5th taste. Umami intensifies the taste of just about any food it touches with long-lasting, mouthwatering savory flavor. The umami sensation "speaks to" our taste buds and satisfies our cravings as no other flavor can.

This liquid wonder product is made from a natural exotic tomato extract and pure Red Sea salt.

Use Umami Mediterranean just like you would regular liquid salt, with an easy 1-for-1 substitution, to enhance the natural taste of every dish with great bold umami flavor.

Salt of the Earth's Umami Mediterranean packs a lot of benefit into just a few sprinkles. Containing 30% less sodium than table salt, it is a key ingredient to true low-sodium cooking. It contains NO MSG, so it's a better health alternative to salt.

The all-around kitchen staple

Umami Salt is ideal for a broad range of foods:

- Tomato-based foods, such as pasta and pizza sauces
- Meat and poultry using any cooking method
- Salads and salad dressings

It pours both ways

This chefs' secret ingredient is available in liquid and granules, so keep it on the table, next to the stove and by the grill to so up up all your favorite dishes.

Umami Mediterranean pours easily and mixes into liquids instantly. It is an ideal replacement for regular salt in tomato-based sauces, such as pizza, pasta and meat sauces, for a broad range of salad dressings and vinaigrettes, and for a range of other applications.

Accredited for quality and growing niche markets

Salt of the Earth's Umami Mediterranean holds kosher certification for discerning consumer populations.

Spice up your product portfolio

Umami Mediterranean can be marketed under private-label branding for premium food markets. Salt of the Earth has the agility to customize products and packaging to retailer, distributor or wholesaler needs.
